## An Update

By Jennifer "Baby Girl" Gann

On September 21, 2011, after an illegally prolonged delay at California Correctional Institute (CCI), I was finally transferred from that miserable place to Kern Valley State Prison (KVSP). However, even here I remain illegally confined in the Hole, or "ASU", based on lack of available level I, SNY bedspace" in general population.

I am not alone, many other prisoners continue to languish in ASU throughout the state, in violation of all existing state and federal laws. The projected wait here at KVSP to be released from ASU is between one and two months.

On a more positive note, living conditions are somewhat better here than at Tehachapi, even in the Hole. The food is better, we have more outdoor exercise, etc.

For anyone that may wish to write to me, my new address is:  
John Gann, E-23852  
K.V.S.P. ASU2-110u  
P.O. Box 5106  
Delano, CA 93216-5106

I look forward to posting an updated personal photo in the near future, a new profile page, and more blogs. As always, I welcome any and all comments, criticism, questions, and personal correspondence — particularly from my comrades and sisters in the struggle.

Viva las Amazónas!

Sincerely,

J. Gann
