Hi my dearest! Sorry for the delay in articles but not ever forgotten is a dear friend! I recently reviewed the j-pag note. (thanks) Did you get Chyna's picture awhile back? M sent one and was asking about it, wondering if you got it. The delay is a result of I have a lot going on right now, which is no excuse, but I'm doing best I can in my position.

And I also wish everyone a Happy Halloween? I'll probably just dress in all my make-up and make myself even more prettier 4 Halloween (HA! HA!) but n-e-way, if possible can you make copies of the photos for me? Oh and make some Red paper (favorite color)

Well my dear, you keep a smile on that beautiful face and send some pictures of yourself (please)

D.Kay has some new writings, hope you enjoy.
Be well, stay safe.

W/ love, hugs & kisses
your sister

P.S. They just moved Chyna to 12 Bldg. I feel so bad and lonely w/o her. Please send her a "I Love you" for me I would mean alot. Tell her her sister misses her and needs her back Time after time. Tell her I heard our song "I Love you this big"

Love you to ☺

TO: Chyna: I LOVE you this big and miss you. Come Back!! ☺
