Axel

Hey girl, Hows my sis? I just got your letter, which brought a smile and a lifted my spirits ↑ as well. I'm sorry for not doing any writing for a while, I been going thru alot, I wish I could write you direct, so much stuff to talk about, stuff for only us sisters to talk about, ya know? ahh, you so sweet, I thank for compliment on my writing, I think you the only one who reads them.

Don't be silly my dear, jealousy? C'mon, never do I want that, ever. I wouldn't even begin to think of such, that is only good friendship w/ him, But I have good news, I been writing this guy, hes a lil older, but were been writing and he is so sweet, great guy! cute too!! But one day at a time right, But at least I'm starting to get some mail (finally). you got that right, were sisters. and proud of it! Axel, you a very sweet person, what would I do w/out you on my side?

I'm still trying to get used to Chyna being gone, it breaks my heart, I just can't figure out why she got over there, I need her here, I feel like something is missing, I told her to come back, but I don't know if she'd like it there better or not. Please let her know I miss her and love her very much: let her know how I feel w/out her.. alone. you can send her a copy of this or if you don't want to, all good, just send her a lil note next time you holler her way, whichever is easier for you. I do appreciate you big time, you just don't know how much, we have so much in common, 2 sisters, w/ same or similar past experiences, yet 2 different continents. how? why? we have got to meet one day, no matter what, I'd really like that, and I believe its very possible one day. give my best to pimpin', and Axel, I'm so proud of you and am happy you happy. till next time, all my love hugs & sweet kisses Just for you & you Precious Sister

Sweetie
