HAPPY 15th

Hey Girl. I miss you, Guess what?

I just heard one of our fav. songs... "Time after Time" at the exact time & date above. ☺ Smile beautiful!! I hope all is splendid where you at? I miss you so much, need ya even more, but love you very much. I'm still getting over you not around, I cried the same day. I heard the song "I love you this Big" I couldn't help it, even my big sister. I really, really hope we can meet again (soon). Just got tons of pictures in of my dear Ted!! Wilma Conway!! Should be getting my meganue subscription soon, my sweet-heart said!! Oh and I'm doing o.k. we don't worry, just please we meet again (soon) please.

I'm so blessed to have an sister and in my life to some times if I didn't have her to talk to I'd go crazy. Well on 15th as on 15th ☺ so hug yourself lady ☺ Day. let me hear from you. why oh why did they put my love so far away. Kenny says hi & so does the Precious fan club. Precious has been running the show big good. (HA! HA!) so many fans, so little time. Oh well, guess that's the price to pay to be a #1 Queen huh.

where are you exactly? if you hear from our sister Dee-dee. Send my love as well. I think I got a sis out in the Delta area. Will see. Well don't be a stranger love. know I love you miss you & need you home, and you keep it real, raw, & un-cut. I need to see it - HA! HA! and rock pretty girl & n.e. way... you know... Girl Power 4 life.

Snooches!!

always w love
