what's the
reward
for feeling
my daughter
vanity
outward
prison of
insanity
more empty
battered more
burdensome
troubles
I'll take this
9-11 rubble
& breathe
breaths of
inspiration
27 yrs still
askin GOD
to be patient.
no body cheers
for my lead
2 steps back
only cheer
for my bleed

pushed down
only cheers
for his greed
a tenth like him?
but I'm over -
MYSELF
inflicted
happy & sadness
lust & gluttony
jealousy & envy
Hate & love.
from rap to
wrapped in
conflict
it gets crucial
this spiritual
soul can be
so brutal
