

10-26-11 7:45am AS I walked into the main laundry for work, they were making gift bags for NEW ARRIVALS, which normally get here every Tues or Wed.

The bags consist of: 2 socks; pair of gloves; hat...

I wondered if the angels in Heaven are busy right now doing the same thing...

More compassionate than "these" inmates never-the less... I envision LOVE as they bag up Heavenly essentials...
