

"On My Own" Lyrics Written by: Michael Green

{Samples from Patti Labelle's "On My Own" feat. Michael McDonald}

Chorus: (Sample)

(On my own)

Everything in the world has a purpose
But tell me why I gotta be (On my own)
Some things come with prices are worthless
So, tell me why I gotta be (On my own)
Everything with a purpose has reason
I think this is how it's gotta be (On my own)
And Lord knows I got my reasons for believing
That this is how it's gotta be (On my own)

SAD

Verse 1:

In 1982 I stole the heart of the world
Now I'm locked up for stealing parts of the world
Took life by surprise when I took life by surprise
Took life on the rise when I took life on the rise
0 to 60 miles in the flash of an eye
0 to 6 bullets in the flash of an eye
A hard shell clam but you could see that pearl
A little hard headed but you could see that pearl
If I could go back in time and change things
It would be me with the halo and white wings
But hey! I can't interfere in God's plans
So hey! I'ma put this here in God's hands

Chorus:

Verse 2:

Why I'm treated like the scum of the Earth?
Why I'm treated like I aint from Earth?
This the type of stuff that make me wanna' escape
Like a super hero and put on the S cape
Now how the Hell am I suppose to get to Heaven?
When in Hell you know you can't get to Heaven?
Wanna' throw me in a ditch so I can stay gutter?
I aint the stars in the sky, did I st-stutter?
If I could go back and change this
I would be close in mind to God's favorite
But hey! I can't turn in to a God man
So hey! They say, "Just turn to ya God man!"

Chorus:

Verse 3:

The prettiest people do the ugliest things
So beautiful and ugly in between
If you take a look, see it aint what it seems
If I open up my heart it'll pour out in streams
Open up my eyes, let it soar out in dreams
Open up my lungs and hear the songs that it sings
Spread my wings, I'ma fly in the wind
Let my mane grow, I'm a lion again
I'm lettin' God know I'm not lying again
So maybe one day I can find him again
But until then, I'm in this world alone
Just trying to find my way home (On my own!)

Bridge:

I aint got no family or no friends here by my side (On my own!)
I done burnt that bridge and now I'm stuck here on this side (On my own!)
They done closed the gates and banned me from the skies (On my own!)
And Hell don't want me either, I'm just lost inside (On my own ewwwwww!)

Chorus: Repeat until beat fades
