

Name That Lyric:

What is this lyric? Who is the artist of the lyric? What album was this lyric on?

Hint: The artist who wrote these lyrics has been incarcerated. **You know who it is!?!?**

Verse 1:

Man I'm praying for help
 While I'm looking at the life I left
 It's kinda hard not to hate myself
 But quiet is kept
 Right or wrong, it's just the way I felt
 I might be better off pryain for death
 In my knees I knelt,
 Still tryin ta find a way ta accept
 That aint a way I can help nobody til I save myself
 Technically I'm still a slave myself
 Man, I played myself
 But when I look at all the fans I touched
 I ask, "How a man whos done so much be treated so unjust?"
 Cause I tried to inspire tha folks
 You wanna condem'em cause they sell dope?
 Well man, show'em the ropes
 Be a fatha or a football coach
 A role model, Lord assemble the hope
 Take another approach
 Instead of testifin' against'em in court
 Hand cuffin'em and closing the doe so they can be worse than before
 Can't you see, they only do what they know?
 And you wonder why they don't care no more
 Life aint fair, I know
 But why I'm hated everywhere I go
 Next time you wanna compare my flow, just know

CONFIDENT

Chorus:

I'm prayin for help
 Askin somebody else to give me a hand, I'm trying hard but I'm only a man
 Man, I'm praying for help
 Hoping somebody else can see what I see, it's like the hood only matter to me
 They got me prayin for help
 Hope somebody else can carry the torch, I'm all alone with no kind of support
 Realizin I don't need nobody else, if God with me I can do it myself
 Tired of prayin for help
