

## Some Where In Tennessee

I've traveled around this country and only one place could I find a spot to rest my body a place to ease my mind

And that place that I'm thinking of is good for you and me is back in them smokie mountains some where in tennessee.

And that's why I want to go there and take you a way with me, just think of all the fun we'd have no one but you and me.

Back in them smokie mountains some where in tennessee
