

In looking for a lady friend to write.

Hi,

Hello

My name Joshua Jones

May this brief illustration of my thoughts find you  
Ladies Sustaining wonderfully in Society. as for myself  
I'm not a testidious person at all I'm very lucid by being  
incarcerated I've learned. How to humble myself and respect  
a woman worth. I Constantly sit in this 2 man Cell  
and thinking about my mistakes and shortcomings in life.  
Due to the fact I'm in prison i always have time on my hands  
At this present moment i don't want to cloud you ladies  
mind with my problem or mistakes. To be truthful with you  
And myself most importantly I'm looking for a lady of my  
Xnd age 35 or older i can Correspond and Confide in  
possible if anything transpires out of this I'll just take it  
from there and let it blow. i never thought i would be  
sitting in this longly Cell again writing the world a letter  
I understand the Coming and Going of those of you in  
Society does not offer you time to sit and think or even read  
About the many Circumstances of others. and i also  
understand. and believe that those of us incarcerated use  
Society deeply for taking away your property rights and  
freedom. in some case's like my own we can never repay  
what we have taken. but through time maybe your Forgiveness  
and our willingness to try to not only build ourselves up. i want  
to share this poem in a perfect world. we would never need to  
Apologize we would never speak a thoughtless word.. or let each  
down or break each other heart. love would Conquer all. and happy  
ending would be a dime a dozen.. but this isn't a perfect world,  
and sometimes people learn things the hard way. we do things  
we can't take back no matter how hard we try i apologize if one  
man aint on your level mentally to understand ~~the~~ if they cause  
you so much pain.. for giving you a reason to doubt or give up
