Something for Womans to Know..

may God grant us to meet a few wrong people before
meeting the right one. So - that we can appreciate the
Right person. We will know how to be grateful for that gift..
but it takes You to take both the feeling the passion and the
Romance in a relationship - and find out how still love for that
person. A sad thing in life is when You meet someone loves
Means all to You only to lose out in the end. Not only
never want to be one You can rely on! So the best kind
of friend is the kind You can sit on a porch and swing with
