

HI EVERYONE

Well its 10/19/11

I told you how bad I thought
this prison well AS of Monday
It got worse.

Monday they started a new way
to count us.

Before, it took 15 to 20 mins to
clear count.

The main counts are 4:30pm and 9:30pm
Now we have one at 6:30am too, and
they ALL TAKE 60 to 90 mins to clear.
Plus we have had at least 1 or
more emergency counts EVERY day
this week, plus we have been
on lock down all day and NO
ONE knows whp.

I was told this is a state
wide thing and THAT the
count HAS to be cleared
threw Sacramento.

I dont know about you
but it smells bad
to me.

Tell me your thoughts
