

"Bloggers" - Happy HALLOWEEN!

whats up how are you all doing?
is everybody ready for Halloween?
I use to love building haunted
houses! well things have been
going great for me here. I no
longer work in the kitchen Im
now whats called a caregiver.
we have alot of older guys here
in prison who are in wheel chairs
and who can't get around on their
own. so they have jobs called caregiver
and its a nice job also comes with a
48dollar a month pay number! I was
only making 20 dollars a month in
the kitchen! and this job really makes
you feel good because your taking
care of somebody who is unable to
take care of themselves and this is
a pay job that I CAN live off of
so thats all that is going on with
me. Just thought I would
drop a line and
say Hello. write
back
