Hey, my love, I love you. I'm getting ready to call it a night for a weekend, but I wanted to tell you that I love you very much. I'm hoping you check the blog site this week to catch up on what you've been missing. ☺

Honey, thank you for your understanding & compassion. I know that the year is almost over bringing with it the anticipation of my freedom. ~~Off~~ God says the same I'll be home December 2011. ☺

Time to get the prayer warriors to intercede for the parole board! More importantly for my file. I love you.

Don't forget to contact Stacy Williams!

I love you-
