

## Little People

Little People,  
They're called children, I think.  
It's been so long since  
I've talked to or played with  
Any Little People.  
It has left a big hole  
In my life.  
All the children I meet in prison  
Are full-size bodies with  
Child-size brains.  
Not like children at all,  
But brats just the same.  
I want to make friends  
With Little People,  
Mine the nuggets of wisdom  
They drop in their haste to  
Become Big People.
