

## Leavin' Timeless

House of Crown Princess...  
Little girl with Angel eyes born  
through incest.

A secret not known to many, as  
White as Nap.  
Your mother was raped by her  
Uncle while she slept.

No one ever listened to her cries

for help.

Abandonment is all that your mother will fall.  
Too young to know about her body's nastily  
maturity.

Uncle stuck out waiting to rob her. Virtually  
A thief he is - ultimately!!!

Admiring your mother from a distance  
As if his devilish smile has no resistance  
Proud cause your mother keeps quiet and no one'll listen  
Your puzzles scattered elsewhere now; and a few  
Pictures are missin'

Time was in overdrive inside her stomach a baby was  
pumpin' like a piston.

It's obvious now, 13 years old and 6 months pregnant  
Now everyone's feeling guilty, and your mom grows repugnant

Uncle's on the run, and your grandma constantly copes,  
So your grandma goes and press charges to the fullest extent.  
The family picture has such a lovely frame, though the  
Picture itself appears to be so strange  
That's why it's often rearranged. Because your beautiful  
presence is the source of family pain... Riccyie...
