

## "BELIEVE"

Believe with your heart,  
Boy that's a great start.  
Believe in the plan,  
Created by a real man.  
Believe in being FREE,  
That's what I want to SEE.  
Believe in yourself,  
And keep your pride on the Shelf.  
Believe in LOVE,  
That comes from ABOVE.  
Believe what is true,  
No matter what you do.
