

### Upon Your Heart

My Brothers, listen to the pitter-patter  
That God placed upon our hearts  
View your Brothers — with biblical minds  
There you will find his Godly Boom  
It is a divine heartbeat  
One in accord to our Gospel  
Let unity of the divine  
Fill your heart  
And when it is full  
You will understand  
God's Pitter-Patter  
Upon your heart.

— James Collins
