

## Sinful Man

Pottage of bones  
Clay that radiates sin  
Against God it is so  
Hold dear to what He's given  
Then you'll start to understand  
All that is good —  
Does not glitter

Separate yourself  
And You'll inherit His Identity  
As He Made it so  
You have his Personal *Proof of Service*  
And won't be burned with the chaff.

— James Collins
