OHHH— HorShit!

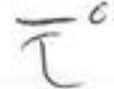

I hate holidays... I've layed like a  
Quadroplegic all weekend, and  
the holiday meal was Disgusting..  
Nothing's Better than piss warm fruit  
juice and a few Servings of Ecoli..  
That's Really the Gift that keeps on Giving.

There's nothing Nastier than  
Institutional Food... Dipping a Spoon  
of Doggy Doo is more apitising..

I had no happy holiday wishes to  
make me Dream of Better Times...

I Did However watch a LOT  
of Stupid TV. the movie "PAUL"  
about the alien  Got me laughing...  
It was the Best Part of the  
weekend...

Working on a new Toon  
at this Time  Be Done soon.
