Readers, this is a very accurate self-portrait, which I recently completed. If you like it and what you've read of mine, please copy and share my self-portrait + URLs with others. You have my permission to do so. Also, I'd be grateful if you'd post a copy of my portrait and contact info' on any + all social networking sites — just let me know where you've done so.

Finally, if you'd like me to do a portrait of you, I will! Just send me a black + white photocopy of your picture, with your name and address written on the side, and a note of anything else (e.g. flowers, animals) you'd like in your portrait or "adjustments" you want made. You must also include a 10 dollar bill or an unused + undamaged booklet of FOREVER postage stamps.

Best Regards.
