

## A New Message

I am a different rider  
That thinks the message is new

Theres bears standing guard on the Appalachian Mountains  
Suggesting people leave things as they were

I feel the need to bleed  
On the thought trail of writers

These mountains are big-  
with trees and things  
what else can be penned  
Poets have said it all

I guess it's time for another poet  
To S-----l====e====e====p
