GUESS WHO'S BACK?

finally I've gotten a new cartoon
going.. I'll take it Day by Day,
Piece by Piece This Time so not to
lose the Bulk Before one line is posted.

I'm Skatter Brained often, so
my Toons Don't always make sense.

I'm Trying to Set a Regular
Schedule for Blog posts and cartoon creation..

Of course someone important to me, who's
Birthday and Christmas Gifts were recently lost
in shipment, is getting replacements, so I'll
have to save \$ and pimp out my art talent
to get by.. hopefully the gifts will "Return to Sender"
before I save up enough to purchase another...

It's a long story how the gifts were lost, but,
it's completely my fault...

I've been doing OK lately.
Bored, due to the holidays though..

Did I mention before that I've
received 7 holiday cards from strangers
😊. keeps things bright..

I have gotten more, but those senders aren't
strangers anymore or are family.

P.S. I have a headache oo
