Kind words I don't deserve. But thank you for taking the time to write me.

I don't doubt you and others believe in God, but if she is real then why do we hurt so much?

Did God create angels before us?

* YES *

Did God create angels to feel jealousy?

* ? *

Did God accidentally create jealousy?

* ? *

The first sin was by Lucifer, but how did sin come about? On purpose or accident?

* ? *

Surprisingly 50689, I've had many people in and out of my life, but none to stay and fill my void with real friendship.

Your letter did allow me some happiness. Thank you!

If it's not too much to ask, who are you and how'd you find me?

Always,
Aunt Judy
