

Fallible Man

Malicious and vindictive
a bad attitude.

We need to be more
compassionate,
and a lot less crude.

We are here but a blink
but a blink of an eye,
until we meet our mighty
maker way up in the sky.

We are way too harsh –
Judgmental to a fault.
And all this vindictive hate –
should come to a halt.

We should practice
what we preach
and compassion, love and
mercy, is what we should
teach.

Understanding we're
not perfect,
We are all fallible man.
Living our lives
In this imperfect land.
