

The Truth Is True

1-3-11

2:28 p.m.

Everything I do today is like a little test. Do I want the question or the answer, mental conflict or peace, to be right or happy, to be a burden to others or a blessing, to awake or continue sleeping? Each decision I make moves me a step closer to Home or a step further away. Therefore, it's clear that since the choice is between Truth and error, all I need to do is release my desire to continue making the same mistakes.
