Aunt Debra - This reply feature is new so I wanted to try it out and respond to you this way. Glad you enjoyed the Dominican story. I got your letter. Thank you for ordering the package. Please tell Aunt Cathy I said thank you and I am hoping to see her soon. Best of luck with the apartment. I've got the address written down now. Tell Uncle hello and don't worry about ditching me on Christmas. I still had a very good holiday and yes, it is a happy new year...lots on tap this year. I really wish you could believe me when I say I am content and at peace with my life for the first time as an adult thus, I am happy. Happy New Year to you too. Talk to you soon.
