

## Message from Eric Kemp, R.J.D.

Fellow Inmates,

I would like to thank all of you who have donated to this Initiative Fund. Thank you for your contributions!

I had hoped that every non-violent, non-serious Third Striker would have participated, but still I am happy about the results so far, even though we are still short of our goal.

I do understand that some of you are just getting the news of this fundraising effort. I am also aware that some of you have given multiple times. Some of you who gave are not even effected by the Three Strikes Law.

I humbly ask that the readers of this article become Ambassadors for this project, and make an effort to find those on the yard, and even the contacts you have on the streets, who will help us.

Pass the word, make copies, send letters, form groups. Be a true voice for this cause.

We need to get the other strikers and their families involved. Our reward will be freedom. Failing to do anything can mean death in prison.

No Governor, no Three-Judge Panel, no legislators and no U.S. Supreme Court are going to change this law or release any Three-Strikers.

The only way is through the Initiative process. Do not be fooled to think otherwise.

We are extending our deadline to September 1, 2011 so that we can raise all we can. We realize we are not going to be the ones to do the major funding of all the millions of dollars it will take to get an initiative on the ballot. **Our goal is to help as much as we can, and to show that we care about ourselves. THIS IS PERSONAL! THIS IS ABOUT US!**

Please identify and reach out to your fellow inmates of all races who are effected by this initiative. Reach out to your families and communities.

Our goal is that every non-violent, non-serious third striker give twenty dollars by September 1, 2011. If you can give more, please do so. If we all commit ourselves to this, we can still reach our goal of \$80,000. It's reachable! It's doable!

Those who cannot give money, please give two books of stamps, or better yet, give the equivalent of \$10 in stamps. Twenty-three (44cent) stamps would be a total of \$10.12. Make it your goal to do this twice by September 1, 2011, and you will have attained your goal of \$20 by September 1.

Stamps will be very valuable for mass mailings, postage to send petitions out, etc.

We can also help Barbara by getting email addresses from our contacts on the street. Contacting by email will not cost postage.

I have FAITH in this project, FAITH in you and your families. WE CAN DO THIS!

So, please get out there and push this project. Pass the word. Do not hide this newsletter or article. It is a great tool for us. Give it to someone or make copies and ask your families and homies to help. If you do not have that voice to push this project, give it to another striker who WILL push this message.

Oh yeah! This is a challenge, too. "Pleasant Valley, I give you Props, you're in the lead, but keep checking your rearview mirror.

Eric Kemp and the R.J. Donovan Strikers
