Acts of Love  
Looking at me  
with that smile  
on your face  
when you think  
I'm not looking

Refusing to eat  
the last piece  
of chocolate cake  
because you know  
it's my favorite

Laughing at my jokes  
even when  
I know  
they're not funny

Sometimes  
I think  
I can  
read your mind  
I know  
you can read  
me

When you're looking  
at me  
from across a room  
full of people  
I can hear  
what you're saying  
I love you to,

Jeannie Love
