Hello Jody

I received your much welcomed (Straight Talk) comments. It sounds like you too have experienced & learned from your mistakes. My out date is years away but I must plan ahead. As you know, being prepared is a big part of surviving out there. I plan on surrounding myself with positive & supportive people. Do you accept the challenge ?? I'm currently participating in the (Re-entry Program) at W.S.P.F. I have 6wks in so far but we don't have an instructor. We receive a packet in the mail from the program dept. in which we're to complete. They show us two videos a week on TV. The cost of living is pretty expensive out there. They don't give us any kind break on the prices inside. There's not a single day that goes by without me thinking of my freedom.

My friend made fun of my first posting because it was very short." I guess its true since there wasn't any flood gates of comments. Since you took the time to respond, its only fair that I disclose more information about me.

I am 38 yrs old, No kids, but I do have nieces & nephews. I do miss them, being away for such a long time, missing them growing up! Keep up the good work you're doing and "Yes" I do have a few questions ☺

Do you have a problem with writing me at
W.S.P.F. P.O. Box 9900 ?
Boscobel, WI. 53805
Can you send me all paper work that you have available on resources
for newly released prisoners? Employment, Treatment, and Housing
Can you send a photo?
Take care of you & yours, and hopefully we can become friend.

Respectfully

Jeff

PS) A sad day in sports
