

After the research I thought about it. When it relates to the Black community, Christianity has always been there; speaking the message of-HOPE!!!!

Slaves were given this HOPE. HOPE in a better life beyond the circumstances & situations that their eyes seen & bodies found themselves in. A HOPE that brought a peace that surpasses all human understanding. Though enslaved that's what they were so happy about. HOPE. Amen. Famous Negro spirituals were penned in this HOPE!!! Listen to the music & the rythm; food for your soul !!!

The poor was given this HOPE; that their future shall be better than their beginnings! Not to mention the sick; incarcerated; homeless; even the rich! God is no respecter of persons.

The HOPE that wrote THE I HAVE A DREAM SPEECH. "You shall decree a thing & it shall come to pass." Amen.

HOPE that can be summed up - LIFE. LIBERTY. & THE PURSUIT OF JESUS CHRIST.

A HOPE that could withstand whippings; tars & featherings; fire hoses; lynchings; biting dogs; death threats; firebombs & the like. "The Lord is on my side, I will not fear; what can man do unto me?"

A HOPE that mentions, "IF GOD BE FOR YOU WHO CAN BE AGAINST YOU." A HOPE that shows in the first Black President. HOPE.

HOPE for the future.

"All the days of my appointed time will I wait; TILL MY CHANGE COME." Change we can believe in. Smile.

HOPE for the black nation.

HOPE FOR THE HOPELESS.

HOPE that rejoices, even in spite of trials & tribulations.

A "Behold I have graven (tattooed) you upon the palms of my hands."...HOPE!!!

It's HOPE which seeks to be communicated -TODAY. So let it be.

Convicted as a Christian my debt to this society (& the world at large) is to leave you with HOPE.

TO GODS' DAUGHTERS: You are more than somebodys "baby mama" God sees you as an honorable mans wife. Amen. The mother of thousands or millions. May your children arise & call you blessed. May they go on to do great & mighty things in the name of Jesus... & in the essence of Black History we got

SO LET IT BE.

The new found but has always been, present- HOPE is...

That we will all meet up in Gods heavenly kingdom. So let it be. That kingdom where the streets will be full of boys & girls playing. (True innocence)! Where lions & lambs shall lay side by side (True harmony)! Where we shall learn war no more (TRUE PEACE)! Free to enjoy golden streets! And GOD shall wipe away all tears from our eyes; & there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain. There shall be no more curse. (YES)!!! No more night, nor light of the sun for God will give us light.

In conclusion... our collective & individual HOPE, is more than a conquerer! HOPE will get you through ANYTHING!!! Blessed be GOD- JESUS CONQUERED THE GRAVE. I.E. MURDERED DEATH.

SO LOVE IT & LOVE HIM: THEN LET IT BE...

HOPE isn't ashamed to tell it on the mountain... GOD LOVES YOU & SO DO I.

SO LET IT BE.

HOPE.
