

Dear friends

1-15-12

Sorry its been  
so long since I wrote  
any thing  
But paper stamps and envelopes  
are hard to come by in here  
no new information from  
the Feds.

We keep hearing rumors about  
changes coming in Feb.  
things keep getting worse here  
at CIM, the mail takes 3 weeks  
to get to us.

How was your holidays?  
I will respond as soon  
as I can to anyone that  
writes

Your friend
