Liza

Your personality scored #3 "The Achiever."

(3) The Achiever. The adaptable, success oriented type. Threes are self-assured, attractive, and charming. Ambitious, competent, and energetic, they can also be status-conscious and highly driven for advancement. They are diplomatic and poised, but can also be overly concerned with their image and what others think of them. They typically have problems with workaholicism and competitiveness. At their best: self-accepting, authentic, everything they seem to be - role models who inspire others.

There's a more in depth profile at:

[www.EnneagramInstitute.com](http://www.EnneagramInstitute.com)

It's nice to hear from you. I think the last letter you wrote me was over 18 yrs. ago so this is pretty cool.

Your philosophical quote about a man being a product of his thoughts doesn't ring true or else I'd be a sexy red headed woman or a hot steak dinner. :)

No Carl Jung in my reading selection. I tried him once and was overwhelmed with vocabulary boundaries.

~~Just as you know between the body just  
start up all your assets last week at work  
somebody else will take care  
they're supposed to do it once a week.~~

If at first you don't succeed, give up or  
you'll be worse off when you fail again.  
NOTE: Goes out to all criminals. ☺

No graphic art school, maybe porn or a  
gigolo.  
I don't have access to Doreen Virtue &  
Sylvia Brown right now.

Okay, to your Oct. 31, 2011 question on morality  
and my decision. If I could go back and do  
it all over I wouldn't need to do the crime  
because I now know how to make money fast  
and legal. To me it's not about morality it's  
about options and fear.

Take away all your options of leading your  
son except theft, now take away your fear of  
being caught.....

Most people don't commit crimes due to fear  
of being caught. Look at the sales in video games  
like Grand Theft Auto. Crime sells when being  
caught is no longer a fear.

Scarred Walls poem was cool, but I don't  
do enough for a book.

All the news reports were great! Can you  
keep me up to date with CNN?  
I heard about Iran's naval fleet clogging

oil fields?

Did you give Diana my letter yet?  
Can you download me info from the "Jet  
City Roller Girls" derby team website?  
Anything is better than nothing.

Spread my web site/blog site around to  
anyone on my Facebook.

Take Care!

Always  
Jan Kasper
