What is RebelNotes 318

By: Bro. Country A.K.A. Reggie West

RebelNotes is a Prison Based Movement founded by myself and (2) other Political Prisoners which forms (3) different Prison Chapters: 318, 215, and 217.

RebelNotes is a Revolutionary Politically Conscious Solidarity Movement for political prisoners whose purpose is to form study groups covering all and within with those dedicated to the betterment and conscious empowerment of political prisoners as we struggle to maintain our sanity and humanity living with the psychological and physical atrocities committed against us day and night in this apt. no. of hell.

Our principal objective is to raise peoples awareness inside and outside of these prison walls, through putting together Newsletters, Essays, Zines, poems, Book Reviews, etc. About the trials of being Colonized, Criminalized, oppressed and repressed. The injustices that the political prisoners endure behind many lines. The walls of these New Jim Crow Institutions known as Penitentiaries or Psychological and Political Reconditioning, Reeducation and Resocializing Centers are simply New Status Plantations and Sharecropping Fields.

The founders of RebelNotes are a group of nationally and internationally conscious Scientific Socialist Freedom Fighters who stand firmly upon Revolutionary Theories and actions who call for the upliftment and consciousness of all class of people as well as the decriminalization and liberation of all Political Prisoners and the abolishment of all prisons.

I, Country A.K.A. Reggie West the founder of RebelNotes (318) Prison Chapter puts forth the following as
