Dear Mr. Singh:

This is in response to your letter to the State Personnel Board (SPB) received on November 23, 2011. Your complaint against employees of the Department of Corrections and Rehabilitation (CDCR) for alleged violation of rules, statutes and laws are governed by Penal Code section 832.5(a). This statute states, in pertinent part:

"Each department or agency in this state that employs peace officers shall establish a procedure to investigate complaints by members of the public against the personnel of these departments or agencies, and shall make a written description of the procedure available to the public."

SPB does not have jurisdiction over the employees of CDCR concerning matters and issues outlined in your letter.

Please contact CDCR directly with your complaint and for a response to your concerns.

Sincerely,

Appeals Division
