| CCE's Recommendation:  | Dismissed<br>The inmate demands to be incarcerated elsewhere. He wants to be moved now. The ICE responds: "Inmate Richards complains that he is being held at SCI but he is a minimum custody inmate and should be returned to Gordon Correctional Institution. A letter for reconsideration dated 7/25/11 has been filed with Judge Foust on his 7/5/11 decision and order. At this point there has been no determination made therefore the DOC will not take any action related to Inmate Richards' custody or placement at this time. Therefore it is recommended that this complaint be dismissed."<br>The institution's decision reasonably and appropriately addressed the issue raised by this inmate.
