Deblegs — really? Okay, you finished what transcription?

Deh ... is that you Sunshine? Hey you, I just received a Sutter notice which requires you to jump through hoops for them. What's up with that? Is Yashua and David back with you? That would be the only way I would think Sutter would be able to have any say in your life.

Let me know if there is anything I can do for you — no strings attached other than my responsibility to be a part of whatever you're going through out there.

You can write me at the address above or at my blog-site if you prefer. I'm here for you, with love.

Be Blessed.
