~ what's your excuse ~

To all you judges, state Attorneys and D.A. Just listen to what I got to say. I'm a dumb ass, an uneducated vengeful idiot. What I want to know... is what is your excuse? Let me make it a bit clearer.

Are we not taught that two wrongs don't make it right? Aren't we taught that education is the key to overcoming ignorance? Yet here in America we contradict ourselves, showing that two wrongs make it right, when it comes to murdering our citizens under the fraudulent ass concept of justice. Murder... to show murdering is not right. Murdering a man or woman in front of his fellow citizens, putting on a show, making a spectacle of it! "A premeditative act of murder like no other!" Murder for murder, that's a bright idea, I wonder what dumb ass came up with that. Obviously it was another vengeful dumb ass like myself, that wanted to justify his vengeful act.

The thing is society is supposed to have evolved, smarter more educated, yet all I'm seeing, is the lack of intelligence. Stupid people, creating acts of stupidity, and in return our government counterbalances that act of stupidity with their own act of stupidity. Going for two wrongs making it right! "Damn were smart!" And if you didn't get it that's sarcasm. Yes I'm angry. I'm mad at myself for being such an idiot! But I'm so disappointed that these judges, lawyers, state Attorneys who support this eye for an eye mentality of two wrongs making it right, not having enough common sense or backbone to stand up and admit their stupidity. Me, I'm a vengeful SOB. But I'm not a pillar of society. I'm a self-proclaimed idiot!"

whats your excuse? An intelligent man once said that an eye for an eye, would leave us all blind. And yet these educated pillars of society failed to listen, to listen to intelligence and rather sought revenge through their vengeful hearts. IF murdering the murder is so right, we should start thinking about rapping the rapist in front of a crowd? Two wrongs make it right, Right? Think about that. When on February 15, 2012 Wednesday at 7PM, when the state of Florida is murdering another one of its citizens under the mantle of justice. yes im an idiot! whats your excuse?

Regretfully
submitted.

In peace + Love Bonnie
