I Got a very nice posted message yesterday from user "Lermania" ..

It's probably the nicest one I've Gotter.. I will now make a Short Reply.

Lermania: I am happy you were amused by my posts - my spelling is intentionally wrong - it's my character, who I am. It also get's many Giggles from the Reader. 😊 I rarely take things too serious and often not seriously at all. My Best art Pieces are usually sent to the DC. Museum of art, or one of a few web sites for sale, it's how I pay for things I need. they usually sell in just Days..

Thank you for the advice/opinion on children... enjoy the valentine's Dragon - Positive feedback makes Better Art...
