Aunt Loretta -

I enjoyed the exchange of no name cards. At your age I expect these lapses. No big deal. HaHa! Thanks for the candle. Haven't seen you in a while. Hope you'll get up here soon. You need to meet Gillis. Tell Chip hi and all my best. Keep me updated when there is news, though I assume it is just the waiting game right now.

Can't believe Mark turned 21, but no that does not mean I'm getting real old. See, birthdays in jail don't count so I'm still like 26. Chip's probably still in his 20's too. :)

Well I've got some stuff I want to get typed up for the site, so I'll end here. Thanks for the actual letter...hardly get any of those anymore.

until next time...
