

Hey here is a couple more of my poems, hope you enjoy them. Peace & Donny

### ~~Wasteland~~ Wasteland

BURNING OCEAN  
of STARK Nothing  
A WASTE OF WASTE  
SPACE for NAUGHT  
FREEZING EXPANSE  
of endless desPAIR  
An unforgiving MASTER  
of shifting SOARNS  
To die for this?  
by Donny Welch

It could happen  
When feeling DOWN  
my thoughts TURN grey  
my JOY of life starts to fade AWAY  
I think of love  
the chance to meet  
a SPECIAL someone on the street  
The dark clouds lift  
can't help a smile  
for it's that chance makes life worthwhile.

### Freedom

Why do you RUN?  
BECAUSE I CANNOT fly.  
What is it for?  
to be ONE with the SKY.  
What do you GAIN?  
the JOY of life, HERE AND NOW.  
Is this YOUR RELIGION?  
it's JUST to be free.  
What will you do next?  
I will RUN to the sea.
