Your welcome.

Thanks for "transcribing" my post.

Thanks for the words of encouragement.

Lord knows I was about to retire from "bloging"

The concern was that my post(s) were too long & would go unread. Figured I "talked" too much? Not my fault I got a message I want the people to hear. Plus had to flip the script because it was recently shown to me ~~that~~ (by God) that us in prison are indeed "inconsiderate" but then have the nerve to be upset when we feel we not being considered? "We" love to cry bout how we been forgotten by society - family - friends - etc---

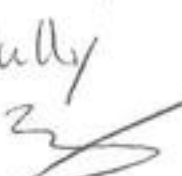

That's what the essence of my blog is about -> Taking the brokenness - pain - hurt - grief - tears - loss - discomfort - trouble - etc... of the free world into consideration. Somebody has to. Amen. we all need help - love & kind words of encouragement.

Now it's my time to give you some --

HOPE FOR THE BEST --

PREPARE FOR IT ☺

(ultimately we get that which we are prepared for)
