

"A Tearless Cry"

Seeing our mother raped and Plundered
Having her children dispersed in the world
Having her lands Stripped of her resources
She have refused to go Under.....

"A Tearless Cry"

So many Years after the Peoples Departure
After many of Pain from Settlers Exploitation
We are realizing the essence of beauty inside the
New Afrikan (Black) Nation.....

"A tearless Cry"

The Pain, Murder, beatings and Genocide
People have internalized blood in their Eyes
No one Cries yet they Record Who dies
Our History has Long ago been Paralyzed.

"A tearless Cry"

Signifies that through it all We are
a Strong enduring People and Nation
Guided by the Wisdom of our Ancestors
Motivated by Self-Determination.....

A tearless Cry

Represents a People who refuse to Cry
To Watch or Just sit idly by
Being victims of the Serpent hand of
Injustice.....

A tearless Cry

We have fought through our hurt and Set backs

We have decided not to be the Animals We're
Portrayed to be our eyes are open now
we can see Racism is the enemy of
you and me
"A Tearless Cry"

We will oppose any form of Exploitation
Our Job now is to Restore and rebuild
The Communities and Embrace the righteous
ness that we know is deep within
the heart of
All Humanity

Slavery Was Wrong No one should have
To be the Subjects of others
under any circumstances.
