"Lin-Sanity".....

Now! I'm not big on sports but I am big on "people rising to the occasion when the opportunity is presented to them", especially when in essence they've been, rejected, put off, wrote off, let down, looked over etc...

When you love or desire something in life, you must study for it, plan for it and diligently take steps towards it, but most of all, you better be "ready to produce on the spot" if that opportunity pops up even outta the blue... a good example is that of "jeremy lin".... Lin was rejected, stigmatized, traded, etc. but his love for the game and desire to play kept him adherent until one day the coach of the New York Knicks put him on the floor... that one "out of the blue" opportunity put AIR lin in a position to show us his diligence, practice skill, love for the game and willingness to be "patient yst perseverant and undaunted" and above all ready to produce at the drop of a dime... now look, it's "Lin-sanity" this and "Lin-sanity" that!

I said the above (not) to promote AIR lin but to promote "PRACTICE, PATIENCE, DETERMINATION,

JUDICATION AND PERSISTENCE: BE "UNDUNTED" IN YOUR JOURNEY TO ~~THE~~^{LIFE} A Happy, wholesome and fulfilling life, and Remember → your Opportunity Can pop up OUTTA THE BLUE AT ANY MOMENT.... BE READY! OR BE REJECTED, LOOKED OVER, PUT ON HOLD, PUT OFF!....

One day when I was about 14, this pretty young lady was walking down our block, I'm sitting on the steps in front of our car, she gets closer, her beauty is baffling me so my arms pit's got wet as a mug, she's about 8 steps away so I'm trying to get my cool on, she's without even looking my way now about 1 1/2 steps past me.. now in my mind I'm like "Oh no, I can't let her get away, I may never see her again"..... so out of my mouth I shout "Please don't do that",... she looks back and says "do what?" I said "Pass up this opportunity to be my girlfriend".... that girl went home and told her mamma Oh me!! LOL 3 days later I saw her again, I said "girl you got me in trouble (but) I'll do it again for you & NO-GO!!" this went on for about 3 months with rejection after rejection until one day she gave me her & (but) guess what → that joint was disconnected. LOL!!... that aint funny yall!! so I guess now you wondering if I ever got that girl??!! NOPE!!

BUT I ASK ONE THING FOR SURE, I'M READY FOR THE OPPORTUNITY TO LOVE, TRUST, Cherish and RESPECT ANY WOMEN WILLING TO GIVE ME THE OPPORTUNITY, EVEN IF OUT OF THE BLUE..... CALL IT "Luv-Savvy" IF YOU WANT, I CALL IT "Luv-Ready"!!

I'm OUT, y'all REMAIN UNDAUNTED IN YALL "PURSUIT OF HAPPINESS" IN THIS WORLD AND THE HEREAFTER.....
