Bar 21: Ain't nothing in this world free, the price of education
 Bar 22: Is priceless, especially with the right information
 Bar 23: What you learn in the street, you can learn in a class
 Bar 24: What you learn in the hood, you can learn in a lab
 Bar 25: Book and street smarts, what does it really mean?
 Bar 26: The difference in between a job and prison greens?
 Bar 27: Ain't nothing in the streets holding you men down
 Bar 28: Ya holding down ya'self, where are your friends now?
