Song: Don't Be A Fool
Songwriter: Michael Ray Charles Green
Song Creation Date: 1-16-2012

Verse: Two (Continued)
Bar 29: If all of your friends jumped off of a cliff
Bar 30: Would you take off running, go after, and jump with?
Bar 31: I aint talking about them, I'm worried about you
Bar 32: I'll never tell you, "go and do something that hurts you"

Chorus:
Bar 33: This is what my momma told me
Bar 34: Stay out the streets and go to school
Bar 35: Mike, What?!
Bar 36: Don't be a fool

Verse: Three
Bar 37: What do you really love, what do you like to do?
Bar 38: Don't you know you can do that and get paid too?!
Bar 39: Once you make it out of college, please don't be like the rest
Bar 40: 'Cause once you got the knowledge you should strive to be the best
Bar 41: Be the master of the skill, a Guru of the trade
Bar 42: Make people want to come to your business and get paid!
Bar 43: Stop procrastinating, get up and go get it!
Bar 44: I'm knowing you can do it yourself 'cause I did it!
Bar 45: Eliminate excuses, accumulate degrees
Bar 46: You unlock a lot of doors when you holding that paper key
Bar 47: There's more to this life, don't let these streets fool you
Bar 48: You don't want to be stupid all of your life, do you?
