# 'Welcome To Hell'

Welcome To Hell-

an environment in which many are subjected to live,  
The population is continually growing with the presence of young  
kids.

Some may be guilty, others are not; yet the juridical system doesn't  
care,

This is a multi-billion dollars business we are speaking about  
here.

A steel box constructed into a six-by-ten human size cage,  
Pain and angry, frustration and regret; feeling so much rage.  
Bowel moving, sleeping and eating all in the same place,  
Nothing EVER changes here, it is the same day after day.

Seven a.m. every day begins with the sound of a bell,  
Yells and screams fills the air with the sound of opening cells.  
The day begins, enroute we go to sit down to have something  
to eat,

Meals of slop we're forced to eat prepared from spoiled meat.  
Mandatory body searches whenever they shall demand,

Daily abuse by racist officers just so they can get a laugh.

Calls for help are rarely heard because many do not care,

Many families are not there so support is very rare.

With modern day slavery we are subjected to work almost for  
FREE,

Acts of violence promoted for anything as small as controlling  
the t.v.

These are just some of the conditions that the administration creates,

Meant to assure that we are divided and each other we hate.

Angry faces, intimidation; a knife is always near,

Battle marks perceived as beauty marks, a scar from mouth to  
ear.

little pleasures are mail and visits whenever they may come,  
But some have no one to depend on so they NEVER RECEIVE neither  
one.

Pen-pal services we utilize to obtain a loyal friend,  
Corrupted staff with deviant minds puts RESTRICTIONS on our  
pens.

One hundred and so rules we are supposed to follow,  
Fabricated misbehavior REPORTS just to take fine dollars.  
HARRASSMENT comes in all type of forms just to CREATE a PRO-  
BLEM,

Twenty-three hours isolation, a dislike for a prisoner; the  
OFFICER decides to STARVE him.

Deprivation orders for the little things that we still have,  
Criminal activities from the OFFICERS to the administrative STAFF.

A senseless beaten results in death, but yet they tell a lie,  
late at night he hangs himself and decides to say good-bye.  
Collect phone calls home with an OUTRAGEOUS billing scheme,  
Department of Corrections (21) this is supposed to be, but  
EVERYTHING isn't what it seem.

The educational department is designed so that no one really  
LEARNS,

Beneficial programs such as college Discontinued so that most  
of us will RETURN.

It is their only plan to assure that most of us will fail,  
Now ask yourself Do you want to be apart of this, if so, Wel-  
come To Hell!!!

P.S.

Eliot Spitzer CORRECTED the phone issue before he RESIGNED.
