Hey Deblegs:

And whooooo are youuuu?

Are you "Little Brit" by another name? If so, we've moved from ☺ Feet to legs. I love making progress!

Hey, check out my earlier posts, such as "When I was a Spider's God", posted around June of 2011.

Guarantee you'll love it. It earned me a spot as a finalist in PEN's prisoner essay contest.

If you're not Little Brit, welcome aboard just the same.

Please tell your mates/amies/homies to wash their brains with my blog too.

Thanks!

Nate
P.S. Will you help with some of the "internet fairy" stuff I asked about in post #40?
