Dear TAYA,

First off, let me begin by saying Thank You for reading my blog. I really appreciate you for taking your time to log on. Sorry it took so long to respond to you, I just got your comments you posted today.

Okay, Now TAYA, On your Post you asked me if I had a little baby son? I would really like to know how you come to ask me that.

Do me and you know each other? If I told you that I didn't have a son, someone might call me a liar. But as far as a *Little* baby son, how old is this son? Will you be willing to give me more detail or more information?

Is it possible that you continue to blog me or you can write me directly at my Address. If you don't mind me asking you, TAYA where are you from?

How old are you? If you would be nice enough to keep in touch with me, and tell me more about what you know. How ever you want to do it. By Blog or by letter, it doesn't matter to me. But I would like to hear from you again, if at all possible. At the expense of being called a liar, I will withhold my answer until you tell me more about what you know.

I want to Thank You again for taking your time to contact me. Feel free to contact me directly if you please.
