Intended Budget Cuts.

... Has Anyone noticed All the Budget Cuts slowly taking it's toll on the Texas Prison System?? The whole system is but a skeleton Compared to what it was even just 3 yrs. Ago.. Not. Only have they totally shut down the Windham School System (both Vocational & Academic) But, the Commissary has more than doubled (Prices) there are no desserts on trays. Well, Only one day a week (Only 2 meals a day on tranfer/Diagnostic units / (... And there are about a half dozen of them that generally Hold 2,000 prisoners.) And I'll bet All Seg prisoners will be on the "2 meal a day plan" in Another year (10,000 prisoners) Seg Prisoners are 24 hour lock down. We don't work "for free" like general population prisoners so. We'll Only be getting 2 meals pretty soon. This next years budget crunch already has prisoners paying $100.00 for a medical visit!. And let me tell you, the food they put on All 3 trays will easily go on One tray for One meal. (No lie) w/ no salt or

Pepper or Seasoning. Everything is bland. Do You Think Rick Perry is going to use Tax payer Cash to put Seasoning on Prison food... Or Desserts? For Prisoners who Work All day ~~for free~~? C'mon! And You Know Why? Because the ~~Texas~~ Prison building Boom ~~has~~ ~~Back~~ fired! ... Well, Why?

Debt, Debt & More Debt!

The government has been Operating Waaaay beyond its means for years. The government hasn't given Texas money to Help Operate it's Ridiculously Over-sized prison System Anymore. For Over 5 years the government hasn't even been Able to pay those who Work for the Services it's Created & Controls (Police, Military, 2 Million man Prisons, Schools, Courts, Postal Services, Etc, Etc...) Just in the Past 5 years the government borrowed: 2008 $459 billion! 2009 - 1.58 trillion! 2010 - 1.3 trillion, 2011 - 1.65 trillion, 2012 - 1.6 Trillion! ... See the problem? If the government could borrow No More money today, they would Only have Enough for About 1/2 the Services they Provide Right Now! Think About that for a moment... 1/2 - the police, prisons, Soldiers,

— Teachers, etc... And don't forget to take into account that all — that debt has — to be Repaid. (Yes) — the National debt that Needed to be Repaid was 11.7 tallion in 2009. Now it's 15 Trillion! Sabes Como Digo?! (Know what I mean?)

— The point — to notice here is Texas Can No Longer facilitate all — these units (Almost 112 System-Wide!) — their big scheme — to make big profits off "Other People's Peddems" is Costing — them Hugely! — They've Already shut down 4 Units, No desserts On — trays, $100" Medical Co-pay (No Joke) Only 2 meals a day on — Transfer / Intake units; Taking psyche meds away. Laying off & streamlining like Crazy. No More Education / Vocation. (College if Your paying — for it). Even asking Prisoners for donations in — the prison News paper Haha! Are You kidding!? — They won't even Honor — their Own Parole & Good Time Laws & — they want a donation — from me! (Yes) do I just look Retarded Or what!? Donate Fu — them money so — they Can Run a Corrupt System & Keep me in here Longer while — they Make Money off my

STRAW. MAN!? SOMETHIN'S GOTTA GIVE. I'VE DONE OVER 3 TIMES - THE REQUIRED AMOUNT - THIS ROTTEN SYSTEM WANTS FROM ME, TO MAKE PAROLE. THIS SYSTEM IS full OF PRISONERS WHO HAVE NO, 200, 350% of their TIME done. Of COURSE, IT'S A "MANAGEMENT TOOL." TEXAS PROMISES 'EARLY PAROLE' FOR WORKING FOR FREE AND good BEHAVIOR — but they NEVER HONOR it. THEY NEED EVERYONE FOR FREE & MAKE YOU do IT ALL ANYWAY. AND WE ALL "toe the" LINE" W/ good BEHAVIOR - TRYING TO GET HOME TO OUR FAMILIES. SET OFF AFTER SET OFF AFTER SET OFF. OUR LOVED ONES die & OUR NIECES & NEPHEWS ALL grow up w/out US AND the ONES MAKING these DECISIONS ON MY PAROLE Could CARE LESS About MY good BEHAVIOR. IT'S ALL A MONEY thing - to them. I'm in this dump for POSSESSION of SOME Stupid dope. NO ONE WAS HURT IN MY CRIME. 15 YEARS of CONFINEMENT (so far). CRIMES MUCH WORSE in the Highest LEVELS of MY OWN GOVERNMENT ARE COMMITTED PRACTICALLY daily. AND IT'S blown off LIKE IT'S NOTHING... WHAT'S REALLY going ON...??
